

**Join the East Forest Park Civic Association
and Make a Difference in Your Community**

The goal of the East Forest Park Civic Association is to improve the quality of life of our residents by addressing neighborhood issues and concerns. Joining the association allows you to vote on important matters affecting our local and city community such as: zoning changes, business development, liquor licenses, etc. You can really make a difference in our community. Among the many things your residential membership fee of \$10 will go toward printing and mailing costs, our annual Denise Shea Memorial Scholarship Fund, maintaining our website, community holiday parties, and other events and projects the voting members of the Association choose that will benefit our East Forest Park neighborhood!

Our meetings are held the second Wednesday of every month September - June at 6:00 PM in the Community Room at the East Forest Park Branch Library at 136 Surrey Road. These meetings are the ideal way to learn what is going on in your neighborhood while getting to know your neighbors and local business owners.
